## Rock Star Pedicure Made Perfect with Glitter Allure Soak Off UV Nail Color Kit!

*Just in time for pedicure season, get your clients pedi pretty!*

VALENCIA, CA – FEBRUARY 1, 2012

Add a simply irresistible sparkle to your clients' toes, just in time for open toe season! This new vixen mix of glitter colors can be worn alone as full coverage sparkle or applied thinly as effects over any soak off gel color of your choice. This one kit can make hundreds of new original shades the possibilities are endless! Soak Off UV Nail Color is a great alternative to polish that last weeks longer than traditional polish. Soak Off UV Nail Color cures instantly, so no extended time to dry each layer of polish. Just prep, brush on the color of choice and cure! Nothing says pedi ready more than a fresh set of rock star toes! Position this new product as a rock star pedicure service for your clients!

Eco Soak Off UV Nail Color uses true glitter gel pigments that are mixed at the proper ratio to UV gel ingredients, so mixing any number of colors will not affect the quality of your custom color. You can mix one or two, or even three or four. It is all up to you, if you want to take the guesswork out of mixing colors now you can! (Elaine Watson - V.P of Marketing & Sales).

The new Glitter Allure collection also contains other fabulous glitter colors: Surprise Glitter, Hi-Fi Glitter, Sweetie Glitter, Galaxy Glitter, 24Karat Glitter, Midnight Glitter, and Vegas Glitter!
