## New Eco Soak Off UV Nail Color Savvy Step-by-Step DVD

*Watch and learn at your own pace!*

Valencia, CA – August 2, 2010

Being able to learn at the click of a button is virtually made possible with Star Nail International's new Eco Soak Off UV Nail Color Instructional DVD. Keeping up with the latest soak off gel techniques and systems is the wisest thing a technician can do to keep one step ahead of the game and increase his/her income in the Salon industry.

The new Soak Off UV Nail Color step-by-step DVD is chaptered into categories of systems for a quick, easy to use and view DVD. The DVD is full of inspirational gel art for all of the levels of the professional. The Star Nail DVD is up close and personal with Elaine Watson. Elaine has been in the industry for over 14 years now. Elaine's skills are sweeping through magazine covers and Ads in some of the top magazines in the industry. Elaine will teach hungry nail techs easy and simple ways to use the Soak Off UV Nail Color and incorporate nail art using different types of techniques.

The Soak Off UV Nail Color DVD will include over lay on natural nails for strengthening, 5 different styles of topping nails off with easy methods of nail art using the soak off gels, clear gel over lay with polish on top, traditional color gel application on fingers and toes and soaking off the gels within minutes! Elaine shows small little tricks you can do to better use the products. This virtual solution to instructions or books is a great way to get the one on one time needed to learn at your own style. Follow along at your own speed or keep the DVD for tips later for a refresher. This state-of-the-art educational tool is a valuable resource for keeping up with the fast moving industry. The DVD is provided in two languages, English and Spanish. For more great tips or other featured products log on to [www.starnail.com](http://www.starnail.com).
